What MITCHELL Says

I want the people who read this paper to know that I sure have the best eating candy in Paris.

The chocolates I sell you for 40 cents per pound cannot be any better.

If you pay 60 or 80 cents you are paying for the fancy packing, of course I have candy we sell for 60 cents per pound and it is strictly fancy and fine, but I want to have every lover of good candy to try my 40 cent creams, always strictly fresh.

Don't forget to send me your orders for the only genuine Blue Lick Water. I am the wholesale agent for the Springs Co. and can furnish it fresh at all times.

Yours truly,

C. B. MITCHELL.

A Fast Ball Game.

The Cincinnati Reds defeated the Paris boys in a very fast game of ball at Bacon's Park, Sunday afternoon by a score of 4 to 3. Paris was at disadvantage by two of their best players, Swearingen and Spears, being out of the game. There were about 500 people present to witness the game, which was the best played here this season. Many brilliant plays were made and a number of close decisions. The pitching of Cooper, of the Paris team, was especially worthy of note, he having struck out seventeen men. The Cincinnati team is strong and deserves credit for winning out, after Cooper pitching such a magnificent game. The score by innings was:

1 2 3 4 5 6 7 8 9
Cincinnati.....0 0 2 0 0 0 0 1 1 4
Paris.....0 0 0 1 2 0 0 0 0 3

Batteries—Cooper and Dempsey; Hess and Shear. Base hits Cincinnati 5, Paris 7. 2-base hits—Paris 3, Cincinnati 2. Errors—Paris 4; Cincinnati 3. Hit by pitched ball—Cooper 3, Hess 1. Base on balls—off Cooper 2, off Hess 3. Struck out by Cooper 17, by Hess 4. Umpire, Bacon.

PLAYER BREAKS A LEG.

In the second inning, Mr. J. E. Craven, the popular Main Street fruit dealer, left fielder of the Paris team, who had reached first on a clean hit to right field, attempted to steal second, collided with the second baseman of the visitors and received a broken leg. It was one of the small bones of the ankle. He is getting along nicely under the treatment of Dr. Wm. Kenney.

Card of Thanks.

On behalf of our entire family I want to try to express our thanks to the great number of our dear friends who were so kind and thoughtful, and who rendered us such assistance and comfort in our time of sorrow for our darling Fannie. Words can but feebly tell the gratitude we feel in our hearts. We pray that the same loving Father who comforts and strengthens us will richly bless all the dear friends who have been so kind.

DEMOCRATIC TICKET.

FOR PRESIDENT.
ALTON B. PARKER.
FOR VICE-PRESIDENT.
HENRY G. DAVIS.
FOR CONGRESS—
HON. SOUTH TRIMBLE,
of Franklin County.

In this issue of the News Judge H. C. Smith is announced as a candidate for Representative of Bourbon county in the next Legislature, subject to the action of Democratic party. Judge Smith has been a member of the Fiscal Court since 1883, and has been Judge of Bourbon county for five years. As a Magistrate he was at all times alert to the best interests of the county; as a Judge he has been a conscientious and faithful official, making one of the best Judges that has ever served our people. For more than thirty years he has been a liberal contributor to the Democratic campaign fund, and for the past five years the largest contributor to that fund in Bourbon county. He is a man well qualified to fill the office to which he aspires, and if elected would represent our county with honor to himself and his constituents.

The Conditions Different.

This is from the New York Globe, a Republican newspaper of unquestioned party loyalty:

"Narrow and short-sighted Republican partisans will doubtless seek to make it appear that Judge Parker's telegram and the answer of the St. Louis convention 'hereto' alter nothing—that the platform which on Saturday the country regarded with such deep disgust still stands as originally written. But effort along this line is certain to be futile, and the more persisted in the more it is calculated to injure rather than to promote President Roosevelt's chances of re-election.

"The political situation is such that disingenuousness is not likely to pay, and it is disingenuous to withhold from Judge Parker full credit for his manly act and to argue that his platform has not in fact been amended. Those who praise President Roosevelt for his courage are in no position to belittle courage shown by another, and a country which has long desired that the gold standard should cease to be a football of agitation is disposed to accept at its face value evidence that it is no longer menaced."

And again:

"Judge Parker has done a service not only to his party, but to the nation. The incident shows that honesty in politics still pays; that directness is superior to craft; that adherence to principle is better than tricking subterfuge and shuffling compromise. By a single act revealing that kind of courage which in a crisis is the truest political wisdom, Judge Parker dispelled the mists of indefiniteness which have surrounded him and removed the imputation to his repute."

The difference between an editorial expression of this character and those which have appeared on the same subject in Republican newspapers nearer home is due to the fact that the one is meant to appeal to the intelligent, while the others are designed to increase the ignorance and inflame the prejudice of the negro and the Federal office-holder, on which two classes the Republican party in Kentucky relies for its support.

Appreciated Service.

We unintentionally admitted to make mention in our last issue of the prompt and good service given to our citizens, free of charge, by the manager of the Postal Telegraph Company, in this city, during the session of the National Democratic Convention at St. Louis. As fast as the business of the convention proceeded Mr. John McDermott, the popular resident manager, would post a bulletin in front of his office, and by this enterprising manager and company our citizens were kept in close touch with the convention until the nominations were made. This service was highly appreciated and will be remembered by our citizens.

PARKS HILL ASSEMBLY.—Manager Horace Taylor, of Carlisle, was here Saturday, and had just received a telegram from Wm. Jennings Bryan, accepting an invitation to lecture at Park's Hill Assembly, on Saturday, August 6. There will no doubt be a large crowd go down from here to hear this distinguished orator. Subject announced later.

THERE was nothing cut and dried about the St. Louis Convention. There was no machine work and no one-man power. It was the voice of the people, demanding political reforms—honesty and faithful service in every department of the government, and justice to rich and poor alike.

A Merry Party.

The teachers and pupils of the Sunday School of the Mission of the Good Shepherd, of Lexington, arrived here Friday morning on an interurban car, and immediately took boats up Stoner to a very picturesque spot, near Maple Island, where they spent the day and enjoyed a bountiful and delightful picnic lunch. There were about fifty children in the party and they were under the care of the Superintendent, Mr. Wm. Warren, and Misses Sue Walby, Mayme Ott, Arna Avery, Louise Welsh, Mary Woolfolk and Rev. Mr. Caswell. The trip was a treat given to the children by the superintendent and teachers of the Sunday School.
